REMARKS

In the December 21, 2004 Notice Regarding Drawings the Examiner objects to Figure 6A for failing to comply with the requirements of 37 C.F.R. §1.84(p). Specifically, the Examiner states that the numbers and reference characters in Figure 6A are not plain and legible and are not at least 32 cm (1/8 inch) in height. A copy of the Notice is attached hereto as **Exhibit A**.

In response, applicants have amended the application herein by replacing Figures 6A-C with corrected Figures 6A-C. Corrected Figures 6A-C are annexed as **Exhibit B**.

Applicants maintain that the corrected Figures fully address the objections as set forth by the Examiner in the December 21, 2004 Notice Regarding Drawings.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.
